FOR INDEPENDENT BUSINESSES IN GALWAY & BEYOND

Your next chapter, online.

Websites, digital catalogues & QR menus for your business.

PROJECTS FROM

€200

Final pricing depends on the features, content and scope of your project. Request a personalised quote.

01 / WEBSITES

A clear place to introduce your business.

One page, up to five sections, your supplied content and contact links.

02 / CATALOGUES

Your products, organised and shareable.

Existing structure, up to 20 products entered at setup, with an admin panel.

03 / QR MENUS

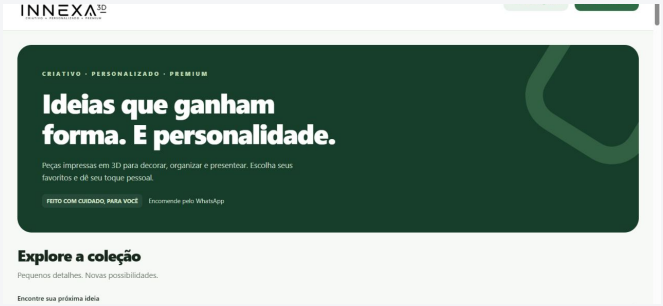

Your menu, a scan away.

Existing structure, up to 30 items entered at setup, an admin panel and QR code.

Initial item counts cover setup data entry. Ongoing capacity is agreed in your proposal. Domain and hosting are paid separately by you. Orders, payments, integrations, copywriting, translation, extra customisation and ongoing support are quoted separately.

Real projects.
Practical possibilities.

Projects by Otávio Ribeiro. Original live projects shown in Portuguese. Portfolio explanations and the café menu demo are in English.

Innexa 3D

Own-brand product catalogue. Search, categories and a shopping bag for enquiries.

AlugaKi Baby

Baby-equipment rental catalogue and a guided booking journey.

Innexa Services

Own-brand website presenting technology, design and creative services.

Astra Consultoria

Business website introducing services, the team and contact information.

MANAGE YOUR OWN CONTENT

Update catalogue products, menu items, prices and availability through your admin panel. Controls and capacity are agreed for your project.

LET'S TALK ABOUT YOUR BUSINESS.

Otávio Ribeiro / Innexa

WhatsApp +55 19 99520-3113

English by message. Based in Brazil; working remotely.

SCAN TO DISCUSS YOUR PROJECT

Try Harbour & Oat: a fictional café menu demo, built by Innexa.
